DECLARATION

I, GEORGE J. NETTER hereby declare and say that:

1. I am and at all times pertinent have been the attorney of record in U.S. Patent Application Serial No. 09/823,204 filed April 2, 2001 and accorded attorney docket No. D0117.

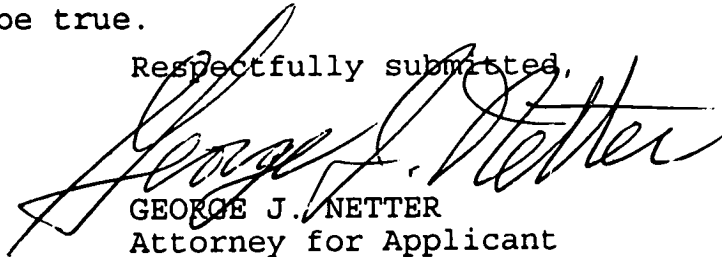

2. I have reviewed my office file for application 09/823,204 and find that there are six sheets of drawings for the application comprising FIGS. 1-15 that match the description set forth in the application specification.

3. According to the filing receipt received from the USPTO on or about May 24, 2001, a copy of which is enclosed herewith and identified as Exhibit A, six sheets of drawings were received by the PTO. Based upon the statements in paragraphs 2 and 3, I conclude that the six sheets of drawings received by the PTO were copies of the same drawings which I have in my application file.

4. This declaration is accompanied by a petition with two sheets of the drawings including FIGS. 8, 9 and 14 reproduced in a manner to meet objections as to margin requirements which were inadvertently left out in applicant's reply to the Notice to file corrected application papers mailed May 17, 2001.

The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statement may jeopardize the validity of this document, declares that he is properly authorized to execute this document on behalf of the applicant; and all statements made of his own knowledge are true and that all statements made on information and belief are believed to be true.

Respectfully submitted,

GEORGE J. NETTER
